Würzburg, 05.11.2013

26th Course on Microsurgery of the Middle Ear, February 24th to February 26th, 2014

Dear Colleagues,

It is our pleasure, to invite you to the 26th Course on Microsurgery of the Middle Ear. The Course is held annually in our department, offering a comprehensive platform on the latest development in the field of middle ear surgery.

Central part of the course is the 3D HD transmitted live-surgery. Additionally, scientific presentations for beginners and for advanced surgeons as well as practical exercises in the temporal bone laboratory are offered.

We are looking forward to exciting discussions and professional exchange with our international faculty.

Please visit our website to get more information: www.hno.ukw.de/Veranstaltungen.

Würzburg – university town and cultural centre: In no other city science, healthcare and culture are condensed into such a small area.

We would be very pleased to welcome you and your co-workers to our traditional Course.

With best regards,

Univ.-Prof. Dr. Dr. h.c. R. Hagen
Head of the Clinic

Priv.-Doz. Dr. med. R. Mlynski
Consultant of the Clinic
