Travelling Grant

83rd Annual Meeting German Society for Oto-Rhino-Laryngology, Head and Neck Surgery 16th – 20th May 2012, Mainz (Germany)

The German ENT-Society offers financial support for attending the ENT-Congress in 2012, which will be held in Mainz from 16th – 20th May. President is Prof. Dr. N. Stasche from Kaiserslautern. Integrated in the congress is the "International Forum" with presentations in English. The support amounts to **500 EUR** and can be used for travelling and accomodation. The congress fee will be waived and the participation at the "International Evening" on Friday, 18th May 2012 is included. The grant aims at young ENT colleagues or scientists (age max. 45 years) from countries with limited resources to support visits abroad. We expect an application of a presentation (free paper or poster) for the congress and a subsequent written evaluation of the meeting. We would also appreciate a report about the congress published in a national journal of the specific home-country and would be happy to receive a reprint.

Please send your application form (see next side) with enclosure of your Curriculum Vitae and the list of your publications

- by email to info@hno.org

- or by fax: +49 (0) 2 28 / 923 922-10

The number of grants is limited and decisions will be made by a committee, based on the criteria mentioned above and by the order of application. The sum will be handed over at the congress.

Deadline for application is October 31, 2011

For information on the society and the congress see also our website **www.hno.org**
