

Warsaw, 15.07.2016

*Dear Colleagues,
Dear Participants,*

On behalf of the Organizers I warmly encourage you to see changes and progress of the joint 1st World Tinnitus Congress and 12th International Tinnitus Seminar in Warsaw, Poland. In order to create the unique conference we have decided to change the date of the 1st World Tinnitus Congress and 12th International Tinnitus Seminar to the **22-24 May 2017**. We apologize for any inconvenience.

We aim to assure and maintain the extraordinary level of scientific and social program set by previous Seminars to the benefit of all participants from the entire world. The Organizing and Scientific Committee have created a very interesting program schedule combining interactive sessions with hands-on workshops.

I trust that practical and detailed information provided in this 2nd Announcement will be helpful for proper planning regarding your participation in the 1st World Tinnitus Congress and the 12th International Tinnitus Seminar. You will find here the essential information about:

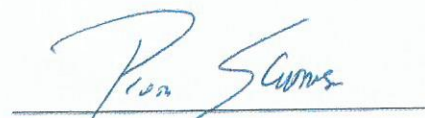

- key topics and program schedule,
- abstract submission,
- registration and payment.

Detailed session agenda and other details of organisation will be provided soon, in the 3rd Announcement. More information and updates will be available at the website www.its2017.com. If you have any questions please do not hesitate to contact us at secretariat@its2017.com.

We are looking forward to meeting you at the 1st World Tinnitus Congress and 12th International Tinnitus Seminar in Warsaw, Poland at 22-24 May 2017.

Please book new dates in your calendars and share them your colleagues.

Sincerely yours,

Ass. Prof. Piotr H. Skarzyński MD, PhD, MSc
Scientific Secretary of the 1st World Tinnitus Congress
and 12th International Tinnitus Seminar
